Objective: Seeking a design or development co-op using, but not limited to, programming skills with HTML and CSS as well as design aspects with Adobe Photoshop and Illustrator. Want to find ways to make ideas more accessible and usable. Available January 2020 – May 2020.

Education:
Rochester Institute of Technology (RIT), Rochester, NY   Expected May 2021
Bachelor of Science, Human-Centered Computing
- Spring 2018 Dean's List

Skills:
Programming Languages: HTML, CSS
Software: Adobe Photoshop, Illustrator, Sketch, InVision, Figma, Microsoft: Word, Excel, PowerPoint, Google: Docs.

Projects:
UNIX Tutorial, Group Website   September 2018 – December 2018
- Collaborated with four others to create a website for beginners learning UNIX
- I was in charge of the design aspect, created the logo, color scheme and layout

Portfolio, Personal Project
- My portfolio is a full website I created myself and made public through GitHub
- I have a variety of projects most being design, but also including prototypes and websites and update it every few months

More projects in portfolio link above

Extracurricular Organizations:
Women in Computing - Active Member   August 2018 - Present
WiCHacks – Active Member   September 2018 – Present
- Director for Logistics   September 2018 – April 2019

Work Experience:
La Danse Workshop   September 2014 – May 2017
Demonstrator   Rochester, NY
- Collaborated with a dance teacher to aid in dance lessons for the younger students. Ages vary from two to twelve.
- Mentored a legally blind child as well as a deaf child, separately.
